What is overseas mission?

Who should be involved?

Why should you be involved?

When and how can you get involved?

When it comes to overseas mission, we can all know more, support more, give more, pray more, and even be more aware of God's call upon our lives. This practical session will inspire us to do more.

Let them do good, that they be rich in good works, ready to give, willing to share, storing up for themselves a good foundation for the time to come, that they may lay hold on eternal life. 1Ti 6:18-19
